This subsection (g) shall not apply to roof covering repairs, which are prescribed by subsection (a), or to residential aluminum patio covers constructed in addition to existing buildings, which are prescribed by subsection (i).

The adjusted floor area used in "Table B" shall be computed by multiplying the actual area of each use as determined from exterior dimension, by the appropriate factor from "Table A":

(1) **TABLE A**

USE FACTOR

(A)	Living areas, including basements and cellars	1.00
(B)	Garages and storage buildings	0.50
(C)	Porch, patio, carport	0.20

When converting from one use to another use, the factor shall be the difference between the factor for the new and the factor for the existing use (i.e., when converting a garage to living area the factor will be 1.00 less .50 = .50).

For remodeling, repair, alteration and rehabilitation in existing buildings, the factor is to be determined by dividing the valuation of the new work by the valuation of the existing building. The factor and square footage are to be determined by the pre-alteration inspection.

16.027A County Fee: Booking or Other Processing Services.

A criminal justice administrative fee for booking or other processing in the amount of one hundred sixty-eight dollars and twenty cents (\$168.20) is imposed. The fee is imposed upon a city, special district, school district, community college district, college, or university for each person arrested by an employee of that entity and brought to a County detention facility or jail for booking or detention. For purposes of this subsection, an "employee" shall include any person making an arrest on behalf of an agency enumerated above, including those arrests made on behalf of an agency contracting for law enforcement services with the County. The criminal justice

administrative fee shall apply to any arrest attributable to an above-specified entity where an arrestee is brought to a County detention facility or jail for booking or detention.

The criminal justice administrative fee shall only apply to original or "fresh" arrests, and shall not apply to holds placed, commitments, warrants, remands, bail bond surrenders, enroutes (temporary holds placed by agencies transporting prisoners), temporary detention at a court facility where the arrestee has been previously booked at a County detention facility, orders of production, orders of return, rollups (inmates returning from work release), or escapees from county, state or federal detention or corrections facilities. The criminal justice administrative fee shall not be charged when multiple law enforcement agencies participate in a particular arrest and one of the agencies is the San Bernardino County Sheriff's Department not acting on behalf of a contract law enforcement city, or when a formal task force, as defined by Government Code section 29550(b)(8), has made the arrest, or where an arrest is made during any riot, disturbance, or event that is subject to a declaration of state of emergency by the Governor, or where such fee is otherwise prohibited by law.

The criminal justice administrative fee shall apply to all applicable booking or other processing services rendered on or after July 1, 1990. The County shall prepare and send invoices to each city, special district, school district, community college district, college, or university, and said invoices shall include the name of each arrestee for which an agency is billed and the date(s) the services were provided. An invoice shall be due and payable thirty (30) days after the date of the invoice. Delinquent fees may be reimbursed through offset, provided such offset is not prohibited by law.

(a) Solid Waste Management Disposal Site Fees for Sites which Charge a Fee Upon Entrance:

Fees

(1) Ordinary refuse \$38.41/ton
(The \$39.19/ton gate fee collected at landfill entry stations is comprised of the above \$38.41/ton fee plus the \$.78/ton Environmental Health Services fee provided for in section 16.0213C(a)(1) of the County Code.)

(2) Tires (unshredded) \$103.00/ton
(The \$103.78/ton gate fee collected at landfill entry stations is comprised of the above \$103.00/ton fee plus the \$.78/ton Environmental Health Services fee provided for in section 16.213C(a)(1) of the County Code.)

(3) Uncovered/Unsecured Loads

To encourage the entrance into County waste facilities of loads that are properly secured or covered pursuant to applicable State or local laws and in deflection of the additional costs incurred because of waste escaping such vehicles, loads brought to such facilities which are not properly secured or covered will be required to pay an additional Solid Waste Management Disposal Site Fee equal to the normal applicable disposal gate fee (including any applicable perchlorate add-on fee) for such waste. This will apply to both minimum and per ton loads, and also loads which would otherwise pay no gate fee, given the payment of a Land Use Fee pursuant to the provisions of County Code section 16.0222(c).

(4) Processed Green Waste \$1.75/ton
(The gate fee collected at landfill entry stations does not include any perchlorate add-on fee or Environmental Health Services fee.)

(b) Fee Adjustments:

Whenever use of a disposal site financed by land use fees is restricted by order of the Board of Supervisors and refuse is thereby hauled to other sites, the Board of Supervisors may permit acceptance of such refuse without charge at the receiving sites.

(c) Solid Waste Management Disposal Facility Fees:

(1) The following annual refuse disposal land use fees, based on the County Assessor's Land Use Codes, shall apply in the following areas. If paid, such land use fees shall constitute, relative to ordinary refuse (excluding demolition waste, tires and hard to handle and special handling items) generated on the parcel of property for which the fee is paid, payment of the ordinary refuse per ton fee as set forth in subsection 16.0222(a)(1), and the passenger/light use vehicle and trailer fee as set forth in subsection 16.0222(h)(1), which may be otherwise due:
